

Deduct-A-Buck

Help support credit unions and protect your financial choices by making a contribution to the Deduct-A-Buck program. This program gives millions of credit union members a voice in the political process. Banks have been fighting to weaken credit unions and deny millions the right to join or stay in their credit union. This program is a grassroots movement to support pro-credit union candidates to the US congress and Senate who support our purpose, people helping people. Your Contributions are not tax deductible. Banner Federal will not favor or disadvantage any member by reason of the amount contributed and you have the right to refuse to contribute without any reprisal. Say yes and make it automatic.

You can authorize your credit union to deduct as much or as little as you'd like from your checking or savings account. Say YES to credit unions by saying YES to Deduct-A-Buck.
